Lead by example and the world will follow.

**Influencer:** Tannor Cortez

**Age:** 13

**Location:** Boca Raton, FL

Tannor Cortez loves animals, especially dogs. And those dogs have a reason to love her back. For her eight-grade community service project, Tannor decided to go out and collect supplies for her local dog shelter. Her family rented a moving van, and went door to door filling it with donations - from shampoo to dog food to collars and leashes. And if that wasn't enough, she also raised \$630 in cash. Not bad for a few hours after school.

This is the influence Tannor has had. What about you?
