

CONNECT WITH A COMMUNITY OF INDIVIDUALS WHO ARE TAKING BACK THEIR LIVES

Get the support you need
from people who understand
what you're going through.

Talk to your doctor about getting treatment today.

Dear XXX,

You're not alone in your fight against Hep C. There are a number of ways to connect with others and find the support you need.

By sticking with your Hep C treatment, you're committing to your well-being and showing your loved ones just how much they mean to you. Friends and family, even a spiritual or religious counselor, can be incredibly supportive as you continue to make progress.

The sooner you start, the more likely your body will respond well to treatment. Consider talking to your doctor about Pegasys® treatment today.
